Key to Authorship Codes

Sole = Material written alone.

Lead = Material on which I have done most of the writing.

Co = Material authored approximately equally with another--usually a research assistant--to whom I've given outlines, sources, and instructions for content.

With = Material authored with two or more co-authors

Super = Materials I have supervised, that is, designed, shaped, and edited--often extensively, but only made minor writing additions to. These are often student papers from assignments in various courses. This includes most student papers developed into teaching materials.

Rev = Significant revisions of previously written materials written by me or others.
